

An aerial photograph of Tromsø, Norway, showing the city built on a hillside overlooking a fjord. The city features numerous houses with dark roofs and green trees. In the background, there are steep mountains and a bridge crossing the water. The sky is clear and blue.

The collage consists of three distinct images. The top image shows a white motor scooter parked outdoors, with a basket of green plants on its handlebars. The middle image is a close-up of a wooden tray filled with various food items, including a large piece of meat, fries, onion rings, and several small bowls of dips and sides. A QR code is overlaid on the left side of this image. The bottom image features a circular logo for 'TROMSØ KJØLL' with the text 'BAR & GRILL' below it.
